

Come Home to North Creek Forest

Where time goes slow and the breath is mellow
and thoughts can find rest
Come home to North Creek Forest

To be friends with trees and listen to the breeze
and wander through the trails
Come home to North Creek Forest

When your heart is hurting or your soul needs healing
When something feels wrong or you need a place to belong
Come home to North Creek Forest

May North Creek Forest be both our question and our answer,
May we be both its keeper and its student,
In all the old old ways and in new,
In every way that we can.
